DURASTRIPE GOLD STORAGE

DuraStripe Cold Storage combines a durable, impact resistant striping surface with an aggressive, low temperature adhesive to deliver a safety striping material that conquers the cold. Available in 2" (5cm) and 4" (10cm) widths of 100ft (30M) rolls.

STRONG BOND

BEVELED EDGE

COLOR VARIATIONS

Strong Bond – Aggressive bonding properties deliver exceptional performance in cold and wet environments.

Beveled Edges – Assist dragged or pushed pallets in sliding over the stripe to resist chipping, slicing and tearing, even in cold environments.

Color Variations – 7 solid colors and 4 hazard stripes offer multiple visual identification options.
